

EUROPEAN STUDENT CONFERENCE IN MATHEMATICS AND SCIENCE

**7 - 11 MARCH 2018
KRAKOW | POLAND**

www.euromath.org

Attention to Young Researchers of age 9-18
Attention to Math & Science Teachers

REGISTRATION IS NOW OPEN!!!

[CLICK HERE TO REGISTER](#)

CALL FOR ABSTRACTS AND REGISTRATION

Students of age 9-18 from any European or non-European School, who may be interested in attending the conference with a presentation, should proceed with the preparation and submission of their abstracts. The Conference will consist of several workshops and sessions covering multiple themes. For more information [click here](#)

EURO-SCIENCE

Destination...Science

Students are encouraged to present their work or projects in Physics, Chemistry, ICT (Information and Communication Technology) and Biology. Group presentations are welcome. The official language of the conference is English.

Deadline to submit your abstract for presentation for EUROMATH and EURO-SCIENCE is the 14th of January 2018

INVITED SPEAKERS

CERN – The European Organization for Nuclear Research: Opportunities of young researchers and talented youth – Maths and Science in action.

Professor Evangelos Gazis, CERN and National Technical University of Athens

Use of Virtual Reality in making Mathematics Real and Physical

Dr Tomaz Amon, Amnin d.o.o., Center for Scientific Visualization

A biologist producing educational virtual reality software

COMPETITIONS DURING EUROMATH AND EUROSCIENCE:

Submit your participation on time.

- **MATHeatre Europe 2018** Become a youth mathematics theatre idol of 2018! Communicate mathematics through a theatre play within 5-12 minutes and use your theatrical talent in stimulating the imagination of the public and express mathematical ideas to your fellow classmates and to a non-specialist audience. For more information [click here](#)
- **MATHFactor Europe 2018** Become the youth mathematics communication idol of 2018! Communicate mathematics in 3 minutes and use your communication talent in stimulating the imagination of the public, express mathematical ideas to your fellow classmates and to a non-specialist audience. For more information [click here](#)
- **MATHPoster Design Competition 2018** Pupils of age 9-18 are encouraged to participate in this competition. Posters are expected to be submitted for the competition during the registration process of EUROMATH Conference. Posters can be of size A3 or A2 in colour or black/white. For more information [click here](#)
- **MATHPresentation Competition 2018** Pupils presenting mathematics work have the chance to participate in the Best Presentation in mathematics. For more information [click here](#)
- **SCIENCE-Factor Europe 2018** Communicate science in 3 minutes and use your communication talent in stimulating the imagination of the public, express science ideas to your fellow classmates and to a non-specialist audience. For more information [click here](#)
- **SCIENCE-Theatre Europe 2018** Become a youth science theatre idol of 2017! Communicate science through a theatre play within 5-12 minutes and use your theatrical

talent in stimulating the imagination of the public and express science ideas to your fellow classmates and to a non-specialist audience. For more information [click here](#)

- **SCIENCE Presentation Competition 2018** Pupils presenting science work have the chance to participate in the Best Presentation in mathematics. For more information [click here](#)
- **SCIENCE Poster Design Competition 2018** Pupils of age 9-18 are encouraged to participate in this competition. Posters are expected to be submitted for the competition during the registration process of EUROMATH Conference. Posters can be of size A3 or A2 in colour or black/white. For more information [click here](#)

ACCOMMODATION

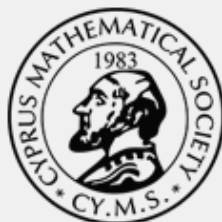

Book your accommodation to EUROMATH 2017 Conference through our website to benefit from the special prices for EUROMATH and EUROSCIENCE participants.
