

EUROMATH & EUROSCIENCE 2018

Game and Social, Room 216

At the Mathematical Department room 216 will be dedicated partly to board and card games, which will be available in designated area. Partly it will serve as a social room. In particular, groups from various schools and countries can meet and chat here. There will be some local students present. They can be asked for advice about the games and/or other practical matters connected to the stay in Cracow.

The room is available during:

7 March, Wednesday 14-18

8 March, Thursday 9-13 and 14-18

9 March, Friday 9-13 and 14-18

10 March, Saturday 9-13
